

Wednesday 13th January Art Task

Georgia O'Keeffe

Today I would like you to research a new artist and design an artist page. You can do this whichever way is best for you, whether it is on paper or on a computer. I have included an artist fact file to help or you could do your own research about her.

Task:

On a piece of paper (A4 or smaller) can you design an artist fact page?

You need to include:

- ✓ Facts about her life e.g. date of birth, family etc.
- ✓ Facts about style of art. What makes her special?
- ✓ Can you draw a picture of her art? Or if working on a computer you can include images.
- ✓ Can you include your thoughts on her art? Do you like it? What do you like about it?

You can also decorate / design your page however you like.

I have included some ideas from other children, to help give you ideas below.
