### **Head Teacher Message**

We are nearly at the end of term and what a busy term it has been! I have been fortunate enough to pop into classes recently to see some of the amazing learning taking place and have been delighted with the progress the children are making across all subjects.

Next week we have a full week of Christmas fun planned including parties, pantos, musical performances, movies and of course a special visitor! We will aim to capture as much as we can through video and photos to share with you virtually.

We would of course love to invite you all into school to share these wonderful memories in person, however must continue to follow advice and remain cautious for the time being. We are hopeful that the New Year will bring with it some opportunities to plan for shared events once more.

I am sure you will join me in thanking the staff team, they continue to work with care and dedication to ensure every child is happy and achieving well.

Wishing you all a very Happy Christmas and Best Wishes for the New Year!

Mrs Clarke

### **A message from Mr Reed – Music Teacher**

My name is Jack Reed and I am fortunate enough to have been teaching ukulele and singing with the whole school, in their respective years, since September.

I feel that in these times of Covid, that it is more important than ever to make use of the collaborative spirit and morale boosting benefits that music can bring to all ages.

We have been working on a Christmas song to be performed on video and in separate classes (unfortunately not in person this year) to highlight some of the skills the children have developed in the relatively short time we have spent learning together.

I'm sure it will bring you all some much-needed festive cheer!

### **A Christmas Message from Teachers**

#### **Miss Dunlavy**

Reception have had a great half term and have particularly enjoyed writing their letters to Santa and going down to post them. They were super sensible out on our walk down and were able to talk about, and show, lots of ways that they could keep safe.

They have also been very excited recently as our naughty elf has returned to cause mischief. Let's hope he goes back to the North Pole soon and tells Santa how great we've been!

Merry Christmas Reception!

#### **Miss Johnson**

I cannot believe it is the end of the term already, I am so proud of how everyone in Class One has continued to work extremely hard and try their very best every day.

I am so excited to start our new topic in January and I know you will all love the exciting things I have planned.

I hope everyone has a Merry Christmas and a Happy New Year!

### Miss Strachan

Class 2 have been extremely busy finishing off their work for the term. We have been focussing on completing brilliant diary entries in English and finishing *How to Train Your Dragon*.

We have been finishing off our dragon eyes project in art and our final pieces are looking amazing! Class 2 has been loving the Christmas spirit around school and we enjoyed our Christmas dinner and writing Christmas poems!

We have also been joined in class by Elvis the Elf this week who has been making mischief. He has been setting us STEM challenges to complete including racing reindeers! We are all looking forward to our last week at school, especially our Christmas party on Wednesday.

Merry Christmas!

Dear Parents and Carers

We wanted to write to you to thank you for all you have done to support our schools since their return in October.

It has been a difficult time for children, young people and their families, but it is thanks to your continued support that our schools have been able to continue providing much-needed learning.

Unfortunately, the pandemic is not over and the rate of positive cases in school age children remains high, meaning schools need to maintain the measures put in place after half-term.

Recently a new variant of the virus has been identified which has resulted in the Government reintroducing some additional measures within our communities and in Middle, Secondary and High schools.

### Symptoms and testing

To further help reduce transmission within our communities it remains critical that anyone showing symptoms gets a PCR test and isolates.

The symptoms to look out for are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

If your child is showing any of the above symptoms, or you are unsure please do book a PCR test for them. This will provide you with some reassurance, but also further protect

your family and those you or your child are in contact with should you receive a positive result.

Please also continue to follow the basic guidance such as regularly washing hands, giving people space and opening windows and doors for better ventilation in buildings.

### **Guidance to schools**

Due to the new variant of the virus and increased cases across Northumberland we are advising schools to think about the measures they have in place for school events such as parents' evenings, assemblies, Christmas parties and performances.

We are advising schools to not invite external visitors, including parents and carers into schools for these occasions. We understand this is disappointing, but our schools have a duty to protect all children and staff as a priority.

We are supporting schools in ensuring measures are in place to ensure the safety of pupils and staff.

We want your children to enjoy the last few weeks of term and for you as a family to be able to enjoy your Christmas break and spend time with loved ones, but to do so we must all take the necessary steps to protect ourselves and others.

Once again, we thank you for your continued support.

Yours sincerely
