

Wednesday 24th February Art Task

Colour Theory

This lesson we will begin a mini block on colour. Please look at the colour theory PDF to learn about different colours and how they compliment and contrast.

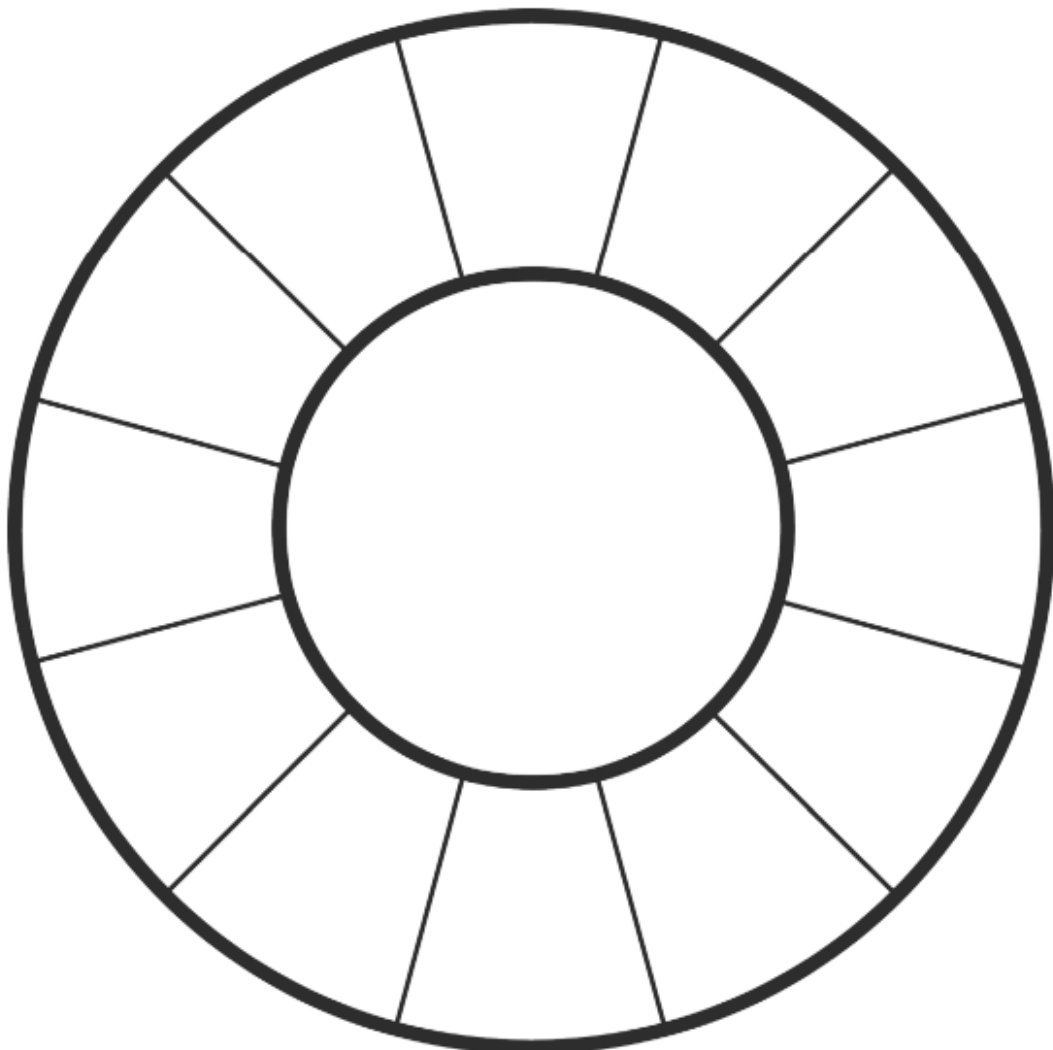

Task: Answer the following questions to show what you have learnt, then complete the colour wheel. You can use pencils, paints or even use a computer to complete this task.

1. Can you name the primary colours?

2. Can you name the secondary colours?

3. Can you name two colours that are contrasting colours?

4. Can you name a cool colour?

Optional/ Alternative / Additional task:

Look closely at the work of Kadinsky below. This piece of work is famous for his use of colour. Can you create your own version of his piece of artwork thinking carefully about which colours you use and which colours are next to each other?
