

Wednesday 27th January Art Task

Sketching Shells

Today we are going to be using our sketching techniques that we learnt last week. You will need to use **shading** and **tone** today as we try to sketch shells.

Task 1: Look at the pictures of the shells below that we will be using in class to sketch. Take some time to look at these shells closely and notice the fine details.

You can also research your own shells to sketch.

Task: Looking closely at each shell, complete a little sketch of each one.

Remember to use shade and tone.

Extra Challenge: I have learnt that most children in Class 2, worry a lot when sketching and tend to rub out/start again a lot. Can you try to sketch one of these shells again, but using a pen?
