Acting Head Teacher Message

We've made it! The holidays have arrived and it's time to relax. It has been a very busy but truly wonderful end to the term. We are all still beaming with pride following Tuesday's performances of 'Christmas with the Aliens'. Every child exceeded our expectations and performed with confidence and enjoyment.

I'd personally like to thank the team here at Acomb, I am sure you will agree, they are a dedicated group of staff and really do go above and beyond to make a difference for our children.

Thank you all for a fantastic term, and on behalf of the Staff and Governors may I wish you a happy and restful Christmas.

Mrs Clarke

Attendance

Attendance continues to be very good; overall attendance figures are 97.43 % since the beginning of term. We had an exceptional figure of 100% attendance last week, which is remarkable considering the time of year! Congratulations to the 15 children who received 100% attendance certificates for the Autumn term. Well done!

School Admissions

The Online admissions portal opened on the 1st November for applications to First School, it will close on the 15th January. Please contact the Admissions team on 01670 624 889 if you have any questions.

Magpie Sports after school Club.

Mattie will continue to run sports club every Wednesday from 3.15 - 4.15 pm next term. We will send out a clubs letter with other club choices in the first week back of term, therefore **all** clubs will commence the second week back - week beginning 14th January 2019.

PTA

A big thank you to the PTA, who have worked tirelessly this term to provide lots of fantastic events for school. The total amount raised for Autumn term is yet to be confirmed, but early indications show that it has been a profitable term!

Money raised by the PTA goes directly back into school to provide free and subsidised events for our children. Thank you for all of your hard work, it is much appreciated!

Water bottles

Water bottles have been ordered, and are expected to arrive in early January. We have ordered an Eco friendly 500 ml bottle. They are tough and durable, dishwasher safe and BPA free. We are asking for a donation of £1.50 towards the cost of the bottle, we will wash and sterilise the bottles at school every week. If you would like to purchase a bottle please send £1.50 into school in January.

Class news

Reception - Mrs Manning

Reception have been very busy writing their letters to Santa. They have also been making their Christmas cards and some Christmas decorations. Mrs Manning has been assessing their phonic skills and they have all made great progress in reading and writing. We are enjoying watching Jack Harman on YouTube to help us remember the sound **th**. We have continued to carry out addition and subtraction to 5 and have been using the part-part-whole mastery method.

Class 1 - Mrs Barber

Class One have been enjoying reading the story of 'The Christmasaurus' by Tom Fletcher. In English we created our own Christmasaurus egg and Christmasaurus. We used expanded noun phrases, adjectives and onomatopoeia to describe both the Christmasaurus and the Christmasaurus egg hatching.

The children then wrote their own short story about the Christmasaurus egg hatching using their plans. We have also had a special visit from Anne from the RNLI. She told us all about the RNLI and what they do, whilst also explaining what could happen if the weather suddenly changes at sea.

Some of the children were able to try on some costumes too. We would like to say a huge thank you to Anne for coming into school to tell us all about what we can do to stay safe when the weather changes at sea.

Class 2 - Mrs Hinchcliffe

Class 2 have had a very successful term and Mrs Hinchcliffe has been really pleased with how hard each and every person has worked this term. The final writing topic, for the term, was based on Raymond Brigg's Snowman and the quality of the writing was wonderful to see but more importantly it was lovely to see the pride that everyone took in what they had produced.

In maths we have been working on multiplication and division and again all the children have been trying hard to learn their tables. This is something that you could help them with at home. They are very enthusiastic!

Outside lesson time GEMs Club (Girls Enjoy Maths) is up and running on a Friday which is well attended and lots of fun.
