| Letter Formation, Placement and<br>Positioning | Form lower case and capital letters correctly.  Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases.  Write recognisable letters, most of which are correctly formed. | To write lower case and capital letters in the correct direction, starting and finishing in the right place with a good level of consistency.  To sit correctly at a table, holding a pencil comfortably and correctly. To form digits 0-9.  To understand which letters belong to which handwriting 'families' (i.e. letters that are formed in similar ways) and to practise these. | To write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters.  To form lower case letters of the correct size, relative to one another.  To use spacing between words that reflects the size of the letters. | To use a neat, joined handwriting style with increasing accuracy and speed.                                                                                                   | To increase the legibility, consistency and quality of their handwriting [e.g by ensuring that the downstrokes of letters are parallel and equidistant; that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch]. |  |
| Letter Joins                                   |                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                       | To begin to use the diagonal and horizontal strokes needed to join letters.                                                                                                                                                                                                    | To continue to use the diagonal and horizontal strokes that are needed to join letters and to understand which letters, when adjacent to one another, are best left unjoined. | To confidently use diagonal and horizontal joining strokes throughout their independent writing to increase fluency.                                                                                                                                                 |  |
