Friday 18th October 2019

Head Teacher Message

As the end of this half term fast approaches school continues to be a hive activity including amazing curriculum opportunities, fun and celebration! Children have had a superb time this week for our focus week on flood and water safety. They have had lots of practical and hands on experiences outside of the classroom which have not only enriched our curriculum, but have also proved to be very relevant within our local community and in a wider global context.

We would like to say a big thank you to Colin Hall from the Environment Agency who has coordinated the week so successfully. Thank you to John, Steve, Sean and Nick at Hexham Fire and Rescue for an amazing day on Monday. The children enjoyed the throw line challenge!

Thank you to the Environment Agency field team Paul, David, Kenneth, Lee, Mark, Sarah, Emily, Kevin and Brian for the fantastic day on Tuesday. The equipment demonstration was described as 'epic' by one of our Year 4's!

Thank you to Helen Parkin from NCC's FCERM team for Thursday's informative workshops on the water cycle, drainage and water surface issues.

Ironically, it was too wet to take the children down to the Red Burn this morning for our geographical field visit. Colin has agreed to reschedule it for another week which is something to look forward to after half term.

In the meantime we will explore maps of the area and investigate photographs of Morrison Terrace and the Red Burn before the flood defences were installed.

The opportunities and experiences that our children have had this week have been brilliant. They have been inspired take an active role in water and flood safety in our community in the future, and I am confident that we are creating the next generation of Village Flood Wardens for years to come!

Next week continues to be just as busy with our Harvest Festival on Wednesday afternoon and our 150th Anniversary celebrations on Thursday after school.

Please remember, if you are unsure of anything or if you need our help in anyway, don't hesitate to call us, email us or visit the office.

Have an enjoyable and restful half term and we look forward seeing you on Monday 4th November.

Mrs Clarke

Attendance

The good start to the year has continued, attendance figures are 97.73 % since the beginning of the term. We really appreciate your efforts to arrive at school promptly ready to learn! As we were able to maintain our whole school attendance target of 96% last year our new target is to maintain an attendance figure of 97% and above this year, we can do it!

Aldi Kit for Schools

Every time you spend over £30 in any Aldi store you'll receive a Team GB sticker. Bring your stickers to school to help us complete our poster. Once we have collected 300 stickers on our poster, we will send the poster back to receive an exclusive sports kit and to be in with a chance to win £20,000 for school!

Dinner Money and Swimming Money

Can any money including any outstanding payments from last year, be paid as soon as possible. Please send in a sealed envelope, clearly marked with your child's name and details of what the payment is for. Dinners cost £2.20 per day, £11.00 per week or £83.60 for the whole half term. Please do not allow debts to build up.

House points

Our new House Points are already having a positive impact in school and children are earning lots of points for their fantastic manners, positive attitudes excellent work. House points can be awarded by any member of staff and can be awarded for any reason.

Totals so far:

<u>Alnwick</u>	<u>Chillingham</u>	<u>Bamburgh</u>	<u>Warkworth</u>
291	310	286	294

School Admissions

The online admissions portal opened on the 12th September for applications to Middle School, details of how to apply online have been sent to Year 4 children via Parentmail. Please contact the Admissions team on 01670 624 889 if you have any questions.

Class news

Reception - Miss Dunlavy

We have had a very busy couple of weeks in Reception. We have been learning all about the different parts of a castle and even had a go at building our own drawbridge using the correct materials!

In maths, we have been looking at patterns. The children have made some fantastic repeating patterns and worked really hard using lots of different colours.

This week has been Flood Safety Week. We have had lots of visitors in and seen some really amazing vehicles. The children have loved sitting in the tractor and the fire engine! We have learned all about what each vehicle is used for and were fascinated by the remote control grass cutter!

Class 1 - Mrs Barber

Class One have loved our flood safety week! We have enjoyed taking part in all of the different activities. On Monday we had a visit from the Northumberland Fire and Rescue service, they helped us learn all about how to stay safe in floods and how to help somebody who is stuck in the water. We really enjoyed learning all about the jobs that the firefighters do and exploring the equipment that they use.

Class One have also enjoyed finding out about what happens to our water when it goes down the drains. On Tuesday we had a visit from the Environment Agency. We loved looking at all of the equipment that they use to help prevent and stop flooding.

We even got to use the hydraulic trailer and tip the wood that had been collected out of the trailer. On Thursday we went outside and located all of the drains in our school and used coloured chalk to draw a picture of different fish, this is to help us to remember what happens to our water when it goes down the drain.

We have enjoyed this week and loved asking lots of different questions, whilst also being able to share our ideas too. Mrs Barber was so impressed with our enthusiasm and our behaviour.

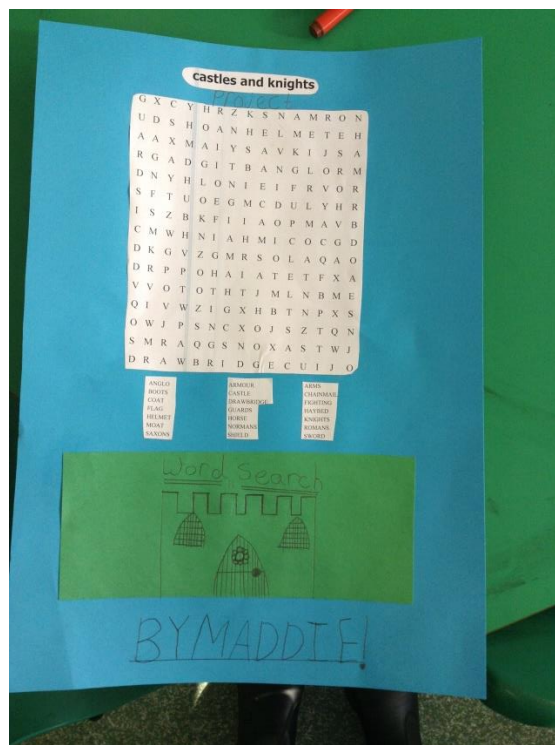

Class 2 – Miss Strachan

The children have had an amazing time in PE over the last few weeks. We have been really trying hard with our football skills and control of the ball. Mr Hill and Mr Thompson has been very impressed with our sportsmanship when playing competitive games. We are also looking forward to our mini football tournament coming up!

Homework projects have been arriving and Miss Strachan has been extremely impressed with how hard Class 2 has been working on their projects. We have seen some amazing word searches, presentations and model castles! Fantastic work everyone!

Class 2 have been throwing themselves into Flood Safety Week and they have been so enthusiastic all week! Some of Class 2's favourite things this week were the visit from the fire engine, sitting in a tractor and completing our STEM challenge! The children have learned a lot about flood safety and who and how people can help us.

Local events and notices

Thursday 24th October at 3:15 pm in the school hall

150th Anniversary Celebrations

Join us for a journey through the years of Acomb First School and village life
Presentation by the History Society's Gordon Scorer at 3:30pm
